Thursday, April 7
6:00 pm - 8:00 pm

Join us for hors d’oeuvres at the Plains Art Museum in historical downtown Fargo from 6:00 pm to 8:00 pm on Thursday evening.

In its prior life, the building - which was constructed in 1904 - served as a warehouse for the International Harvester line of tractors.

Weather permitting, the museum is within walking distance from the Radisson. Afterwards, check out the great restaurants and nightlife in Downtown Fargo.

Friday Evening Entertainment
The Fargo Entertainment Company
Proudly Presents

The Altos
Like the Sopranos Only Lower

Tony Alto, a local mob boss, is dead (or is he?) and his grieving widow, Toffee, has invited everyone to his wake. Tony’s nephew, Chris, checks weapons at the door...and if you don’t have any, he’s got extras! Tony’s shrink, Dr. Malaise, is giving free analysis. Father Flip tries to console Toffee while Tony’s crazy mother is dealing blackjack. Uncle Senior, already under indictment, is fresh off the prison golf course to attend his good-for-nothing-nephew’s wake. Be prepared to dodge bullets, laugh at silly songs and try to figure out who put a contract on Tony!

Not a Soprano’s expert? Forgettabout it! While those who know the show will recognize characters, the Altos are a stereotypical, Italian family with fun for all regardless of your knowledge of the HBO show. Audiences from Minneapolis to Bismarck have loved this show, pushing it to four years in production.
